Your NMSC Selection Index<br>139

NMSC uses a Selection Index score based on PSAT/NMSQT scores as an initial screen of students who enter its scholarship programs. The Selection Index score is double the sum of your Reading, Writing and Language, and Math Test scores.

## Eligibility Information

You meet entry requirements for the 2021 National Merit Scholarship Program and your Selection Index score will be considered among 1.6 million program entrants.

If your Selection Index places you among the 50,000 high scorers who qualify for National Merit Scholarship Program recognition, you will be notified next September when qualifying Selection Index scores are made available.
